Your members can access virtual care **24/7**, wherever they are!

The Co-operators and EQ Care are pleased to partner with you to provide 24/7 national and bilingual virtual health care services to your plan members.

EQ Care has been providing exemplary healthcare services to Canadians for over 30 years and were the first to introduce virtual care services in Canada.

Their goal is to improve the patient journey by providing faster access to care and treatment, and customizing each patient's experience to meet their unique needs, with empathy and a human touch. EQ Care is committed to service excellence and to staying ahead of the innovation curve which leads to better health outcomes and patient satisfaction.
